

THE CUTERA
COLLECTIVE

SCOTTISH
SKIN & LASER
SUMMIT

An exclusive, invitation-only event for aesthetic professionals.

12 SEPTEMBER 2026 / W EDINBURGH

Edinburgh

Welcome

It is a pleasure to invite you to the Scottish Skin & Laser Summit.

We created this event because the best conversations in aesthetics rarely happen in a lecture theatre. They happen between colleagues who are willing to share what has worked, what has not, and what they would do differently. That is the spirit behind today.

You will hear from a faculty of clinicians who lead some of the most respected practices across Scotland, Ireland and beyond. They will share practical clinical insight, the reasoning behind their treatment decisions, and honest reflections on building a business alongside a clinical career. There will be room to ask questions, challenge thinking and take away something you can apply on Monday morning.

W Edinburgh gives us a setting worthy of the occasion, from the sessions themselves through to lunch at SUSHISAMBA and our evening reception above the city skyline.

I'm also incredibly proud of the team behind Cutera's growth in Scotland, whose passion, hard work and commitment to our providers have helped build the community we're bringing together today.

Thank you for joining us. I hope you have a wonderful day of learning, conversation and connection, and I look forward to spending the day and evening together in Edinburgh.
